- Some of our processing is necessary for compliance with a legal obligation. Retaining safeguarding records and gift aid declarations are examples of this. Also, we are required by the Church Representation Rules to administer and publish the electoral roll, and under Canon Law to announce forthcoming weddings by means of the publication of banns.
- We may also process data if it is necessary for the performance of a contract with you, or to provide a direct service to you. For example, if you buy tickets for a church event.
- As a religious organisation, we are permitted to process information about your religious beliefs to administer membership or contact details.

We operate to an annual process of review, by which we assess who is actively engaging in church membership, and where this is not the case we will remove your data. Additionally;

- We will keep some records permanently if we are legally required to do so. For example this covers service, wedding, baptism registers and some safeguarding records.
